PROFESSIONAL SUMMARY

Backend Software Engineer with 3 years of experience in TypeScript, Node.js, and Express. Proven track record of designing, developing, and maintaining high-availability, scalable backend services and RESTful APIs. Skilled in MySQL and Sequelize ORM for data modeling and performance tuning. Hands-on with containerized deployments (Docker, Kubernetes) and CI/CD pipelines. Familiar with microservices architectures and event-driven systems. Strong collaborator who translates business requirements into robust technical solutions.

PROFESSIONAL EXPERIENCE

Backend Engineer May 2025 - May 2026

Pentagonware Technologies

Designed, developed, and maintained backend services and RESTful APIs using TypeScript, Node.js, and Express, handling ten thousand requests daily.

Ensured code quality through automated testing (Jest/Mocha), peer reviews, and CI/CD best practices.

Optimized services for performance, scalability, and maintainability; handled high-concurrency scenarios with async patterns and robust error handling.

Participated in architectural discussions, proposed improvements, and contributed to technical documentation for APIs, services, and data models.

Software Engineer Mar 2024 - Apr 2025

Oortexs

Designed RESTful APIs and integrated with frontend teams.

Used Git for version control and collaborative workflows.

Maintained and migrated legacy PHP/Laravel modules.

Built scalable products using NextJS, TypeScript and Tailwind

PROJECTS

Healthcare Provider Network API [↗](#)

A platform for managing healthcare providers, appointments, and services that is directly aligned with Reliance Health's core business.

Event-Driven Notification & Payment Processing System [↗](#)

A distributed system showcasing asynchronous, event-driven microservices

EDUCATION

Bachelor's in Mathematics Apr 2022

FUNAAB

CORE SKILLS

TypeScript Express Laravel Node NextJS Tailwind Git Docker MySQL

CERTIFICATIONS

Frontend Developer Mar 2023

This certification equipped me on becoming a better software engineer
